

 **HELLO! ISUZU**
0800-11190

THE NEW **ISUZU** D-MAX **X-TERRAIN**

LIVE LIFE TO D-MAX

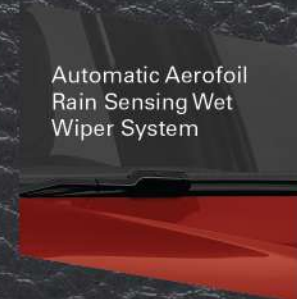

Step into an era of unstoppable strength and boundless adventure with the new ISUZU D-MAX. This isn't just a vehicle; it's a lifestyle for those who dare to go beyond limits. With over a century of engineering mastery behind it, the D-MAX is built for those who forge their own path and live life on their terms.

D-MAX stands as a symbol of resilience and determination a true companion for those who break barriers and embrace the unknown. Each journey with the D-MAX is a chance to leave the ordinary behind, discover a life of bold possibilities, and live life at full throttle. Live Life to D-MAX!

IMPACT TO D-MAX

D-MAX X-Terrain is an undeniable force, embodying a rugged spirit with a design that exudes strength and sophistication. Its powerful stance make a bold statement, radiating confidence and commanding attention wherever it goes.

COMFORT TO D-MAX

ISUZU D-MAX X-Terrain is more than a pickup—it's your companion for work, relaxation, and adventure. The interior captivates with its striking two-tone bruno black color scheme, exuding refinement and boldness. It is further enhanced by the luxurious and dynamic Miura Design, which embodies the concept of High-Class & Sophistication.

Multi-functional Steering Wheel with Auto Cruise and Tilt & Telescopic Adjustment

Automatic Dual-Zone Climate Control

Auto Dimming Rear View Mirror

New MIURA Design Elements

New e-LUMAX Meter Panel with 7 inch Multi Information Colour Display

8 ways Power Adjust Driver Seat with Lumbar Support

New Black Combination Leather Seats with Anti Vibration Elastic Comfort Foam

ENTERTAINMENT TO D-MAX

Introducing the most advanced model yet the ISUZU D-MAX X-Terrain. Designed to elevate your driving experience with intuitive technologies and smart features, this model ensures a comfortable and enjoyable journey every time.

Charging Port

Rear Air Vents with Type - C USB Charging Port

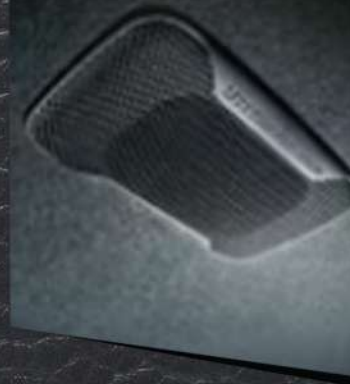

New 9 Inch Touchscreen Infotainment System with wireless Apple CarPlay™ and Android Auto™

Passive Entry & Start System with Remote Engine Start (PESS)

8-Speaker Live Surround Sound

TOUGHNESS TO D-MAX

The D-MAX X-Terrain is built to withstand the toughest challenges, offering long-lasting reliability and performance. It's robust design delivers unmatched strength, making it ready to take on whatever the road ahead holds.

Single engine belt with auto tensioner minimises wear

The D-MAX advanced anti-friction induction hardening process greatly strengthening the cylinders

Work independently to boost durability

Meets the challenges of the toughest terrain

Bigger and stronger, with greater torsional and longitudinal rigidity for improved handling, stability and durability

ADVENTURE TO D-MAX

Feel the rush of freedom as you leave the paved roads behind and dive into the unknown. With the D-MAX X-Terrain by our side, every journey is pure adventure. So go ahead, take the trail less traveled, and discover a new way to live life to the fullest.

New Rough Terrain Mode

Seamlessly manages engine power as well as braking systems to transfer torque or brake for a required wheel, optimising overall all-terrain performance and enhancing drivability

TERRAIN COMMAND

Switch between 2WD, 4WD-High, and 4WD-Low modes quickly with Terrain Command to Manoeuvre effortlessly on normal pavements, wet roads, and off-road conditions

Rear Differential Lock

The differential lock makes sure you have the traction you need to get out of difficult obstacles when travelling off-road

800mm Water Wading Depth

Wading depth of 800mm allows you to navigate water crossings with confidence

POWER TORQUE TOWING+

ISUZU 3.0L Diesel Engine Performance:
Max power 190PS (140KW) / Max torque 450 Nm

SAFETY TO D-MAX

01 7-SRS Airbags

For the ultimate protection, The New ISUZU D-Max X-Terrain comes with 7-SRS Airbags to ensuring the safety of the driver and every passenger

02 Anti-lock Brake System (ABS)

In emergency situations, the system ensures the vehicle can still be manoeuvred

03 Electronic Brake-force Distribution (EBD)

Allows the control of braking force between the front and rear wheels depending on vehicle load

04 Brake Assist (BA)

In emergency situations, the system helps to apply full braking force

05 Electronic Stability

Control (ESC) Helps you stay in control of the vehicle

06 Traction Control System (TCS)

Allow for greater control over the road or terrain

07 Hill Descent Control (HDC)

Automatically controls the brakes and maintains vehicle speed while descending steep slopes

08 Walk Away Door Lock

Allows the vehicle to lock automatically after you walk 3 meters away from it with the key in your hands

09 Follow Me Home Lights

The headlights of your pick-up remain switched on to illuminate your path after you have turned the Ignition off

10 Trailer Sway Control System

System that reduces the side-to-side movement of a trailer while driving and helps to prevent unsafe driving conditions

11 Emergency Stop Signal (ESS)

In emergency situations, warning lights are activated to indicate that the vehicle is braking rapidly

12 Front & Rear Parking Sensors

Sensors are provided instantaneous feedback to detect objects during parking

13 Reverse Camera

While you reverse, the system monitors the surrounding area behind the vehicle
